FLORAL HALL ~~ 4-H ENTRIES

4-H Floral Hall Entries 2025

GENERAL RULES FOR 4-H ENTRIES:

Apply to all 4-H Club Exhibitors and/or Exhibits

Russell County Fair 2025

Christy A. Martin, County Extension Agent for 4-H Youth Development

Kentucky State Fair General Rules applying to all 4-H Exhibits except livestock listed previously in the State Fair catalog.

1. Age—any 4-H member who has passed his/her 9th birthday or is in the 4th grade as of December 31, 2024 but has not passed his/her 18th birthday as of January 1 of the current year. Juniors are ages 9-13 and seniors are 14-18.

2. Residence—Entry in the 4-H Section is open only to 4-H members residing in Russell County.

3. Exhibitors must conform to the:

- General rules listed here plus general rules of the State Fair catalog and
- Specific rules governing the department in which the entries are made.

4. 4-Hers can enter in only one unit under each lot #. Exhibitors can enter only one item in each class.

5. Entries are to be made in the name of 4-H participant and the work of the 4-H member. Neither the Russell County Jaycees nor the Extension Office will be responsible for any loss or damage to the exhibitor or the spectators; however, the utmost care will be used to prevent loss or injury.

6. All entries must meet minimum standards to receive a ribbon. Exhibits unfit for show or of such low standard as to make questionable their right to compete will be declared ineligible and no award will be paid on them. All entries must be identified with labels securely attached.

7. The Danish System of judging will be used with the top entry in each class designated. Floral Hall premium money will be determined by the Russell County Jaycees. (Does not apply to livestock.) Class champions receive same premium as a blue ribbon winner in that class (no extra premium paid).

8. Exhibit entries which do not meet all of the requirements will be judged and receive a blue, red, or white ribbon but will not be considered for unit or class champions or any other special awards. Any exceptions to this are listed with the rules for the lot to which they pertain.

9. All gardening exhibits must be the work of the 4-H member.

10. Entries eligible for entry in the Kentucky State Fair will have a special designation.

11. Cloverbud entries are non-competitive and will not receive premium money.

4-H Horticulture & Plant Science

All plants should have been grown by the 4-H member. Exhibits should not have pesticide residue. Plants are entered at your own risk of damage. Containers should not use garden soil; plants should be grown in well-drained, disease-free potting soil.

HORT 565 Terrarium made by the 4-H member (Container should be clear, enclosing the entire plant display, with or without a lid: all plants need to be actively growing.)

HORT 566 Dish garden (desert or tropical) Container should be shallow, with container not exceeding 6 inches tall from base.)

HORT 567 Vegetable container gardens (grown in container-not dug out of the garden)

HORT 569 House plant grown by the 4-H member

HORT 570 Hanging basket grown by the 4-H member

HORT 571 Herb Container Garden grown by 4-H member

4-H Crops

Grain sample cannot have excess chaff, rodent pellets, mold, musty, foreign materials, or anything that makes it unsuitable for display. Grain must be in one (1) gallon zipper-style bags. May enter only one exhibit per class. Label sample with variety and yield.

CROP 600 Alfalfa hay, ½ bale (no full bales) from the current year's crop, neatly tied and labeled

CROP 604 Mixed hay, ½ bale (no full bales) from the current year's crop, neatly tied and labeled

CROP 607 Yellow-shelled corn, from the previous year's crop, 0.5 gallon in a container, and labeled to show variety and yield.

CROP 610 White-shelled corn, from the previous year's crop, 0.5 gallon in a container, and labeled to show variety and yield.

CROP 615 Soybeans from the previous year's project crop. Place in 1 gallon zippered plastic bag and label to show variety and yield.

4-H Electric

Exhibits must be made according to the 4-H project book. May enter only one exhibit per class. All exhibits requiring bulbs must have the correct size. No cord that has been bought in a store and later repaired may be entered. The use of molded plug-ins is discouraged.

ELEC 645 Battery-powered series and parallel circuits (Circuits must include both series and parallel, a simple switch and can be no more than 9 volts.)

ELEC 651 Display of wire sizes and types with description and example of usage (display must contain a minimum of 12 different examples)

ELEC 654 Table, desk, vanity, or floor lamp – original design. (Pop can lamp kits will be disqualified.)

FLORAL HALL ~~ 4-H ENTRIES

4-H Wood Science

May enter only one exhibit per class. Wood science project must be made by the 4-H youth. Please use appropriate fasteners and sanding.

WOOD 674 Wood Science, Level 1 made from a kit

Simple items which have pre-cut and pre-drilled parts and youth demonstrate knowledge of assembly, selection and use of fasteners (nails, screws, and/or glue), sanding techniques, and appropriate finishes. (Examples: small birdhouse, non-hopper bird feeder) Item must demonstrate skill with fasteners, sanding, and appropriate finish. (No puzzles.)

WOOD 675 Wood Science, Level 1 not from a kit

Simple constructed wood item showing knowledge of hand tools, wood selection, cutting, drilling, use of fasteners, sanding techniques, and appropriate finishes. (Examples: napkin holder, letter holder, simple picture frame, wire wiggly, towel holder, serving tray, jewelry box, small flag holder, 4-H book ends, airplane, hurricane lamp, trivet, pine wood cars) Item must demonstrate skill with fasteners, sanding, and appropriate finish.

WOOD 676 Wood Science, Level 2 from a kit

More elaborate items which require proper cutting, drilling and youth demonstrate knowledge of selection and skill in use of fasteners (nails, screws, and/or glue), sanding techniques, and appropriate finishes. (Examples: pine wood car, large bird house, jewelry box) Item must demonstrate skill with fasteners, sanding, and appropriate finish. (No puzzles.)

WOOD 677 Wood Science, Level 2 not from a kit

More elaborate items that demonstrate mastered skills with hand tools, basic knowledge of power tools, fastening options, appropriate surface preparations, and finish applications. (Examples: foot stool, puzzle, revolving tie rack, 4-H key holder, cutting board, book rack, serving dish, shelf, hopper-type birdfeeder)

WOOD 678 Wood Science, Level 3 not from a kit

Items showing a more advanced knowledge of power tools, expertise in cutting, fitting, surface preparation, attention to fastening details, and finish application (Examples: multi-purpose box, corner shelf, book shelf or laminated wood projects, garden bench, planting box, nail and tool box, shop tool rack & shelf, etc.) Original designs are welcome. This exhibit is made up of two parts: 1) the **item** and 2) a **folder containing photographic documentation** of the steps taken in order to complete this exhibit.

4-H Entomology

ENTO 687A Insect Collection, 1st year project

Collections must contain 25-50 specimens in at least four different orders. Identification beyond order is not necessary. All specimens must have date and locality label. Exhibit can be submitted in up to four 9"x13" official cardboard boxes OR up to two 18" x 24" wooden boxes. Exhibit guidelines can be found on UK Entomology website.

ENTO 687B Insect Photography Collection, 1st year, Collections must contain 25-50 specimens in at least four different orders. Identification beyond order is not necessary.

- Images must be submitted on a USB memory device (i.e. thumb drive) with no other data except for the images and folders. The USB device must be identified externally with a tag and label, showing "4-Her's last name-County". (Other details must be added if the entry is selected for Kentucky State Fair Exhibit.) The single root folder will be labeled with the same information. Images will be contained inside this folder.
- Each image will be in .jpg format, 1920x1080 pixels. Vertical or horizontal black bars may be present to allow for cropped images.
- Each image will have a filename that matches the following: "lastname-county-#.jpg." where "#" indicates the number of the image inside the folder. (Ex: Doe-Russell-1.jpg.)
- Each image will include a 400x300 pixel (or larger if necessary) white notation box with important information about the photo. This notation field may be placed anywhere inside the image, including outside the black bars (if present). Fonts may vary based on the 4-Her's software, but we recommend Ariel, 18pt, black, non-bold, or larger. The notation field will include the following information, with one space between each line: [4-Her's Name, County, Lot Number, Class Number] [Date of original photo/Location of original photo/ Location may be in the form of street/city/zip code address or GPS coordinates] [Brand and type of camera or camera phone] [settings including type of lens, relevant camera settings, and "flash" or "no flash"] [Insect order – Common name]

Digital insect collections will be penalized if they (1) consist of images that were created by someone other than the 4-Her and (2) are not submitted and labeled according to guidelines. No credit will be given for photographs submitted beyond the number required.

4-H Honey

Honey will show better in oval, flat sided to square clear glass containers. 4-Her's must use standard honey jars purchased from a bee supply vendor. Wide-mouth mason jars or wide-mouth honey jars may be used. The jars and lines must be clean. Fill jars to the "fill line". The "fill line" is the continuous ring that circles the jar and not necessarily the threads that help hold the lid. NOTE: Two jars must be submitted for the following classes. Exhibitor may enter up to two classes (one extracted, one chunk). Note that jars must be glass, with the exception being the cut comb honey.

Display cases for capped honey may be made by 4-Her or bought from a store, but they must be bee-proof and have a removable top in order for the judge to check moisture. One frame per container.

Observation hives shall be secure from opening in all areas (top, holes, and openings). Openings should be secured with screws or locks.

FLORAL HALL ~~ 4-H ENTRIES

ENTO 692 Two one pound glass Queenline or Classic jars of white extracted honey

ENTO 693 Two one pound glass Queenline or Classic jars of light amber extracted honey

ENTO 694 Two one pound glass Queenline or Classic jars of amber extracted honey

ENTO 695 Two one pound glass Queenline or Classic jars of dark amber extracted honey

ENTO 696 Two wide mouth pints or Classic jars of chunk honey, any color

ENTO 697 Any frame of capped honey suitable for comb honey (light)

ENTO 698 Any frame of capped honey suitable for comb honey (amber)

ENTO 699 Any frame of capped honey suitable for extraction (light)

ENTO 700 Any frame of capped honey suitable for extraction (amber)

ENTO 701 Best display of one-frame observation hive of honey bees consisting of worker bees, a properly marked queen, and brood.

4-H Forestry

Exhibitors must have the correct number of specimens requested per class. Exhibit guidelines can be found on Russell Co. 4-H website under the "Fair" tab in the Introducing Yourself to Trees publication.

FORS 703 Leaf Collection

Collection of 10 leaves representing 10 forest trees native to Kentucky. Mounting instructions in the unit 1 forestry project book activity 1 must be followed.

FORS 704 Leaf Print Collection

Collect and print 10 leaves representing 10 forest trees native to Kentucky. Instructions in the unit 1 forestry project book activity 2 must be followed.

4-H Geology

Contact Extension Office for details on display box size and guidelines. Rock, mineral, and fossil identification labels and labeling instructions can be found at the Kentucky Geological Survey (KGS) website (<http://www.uky.edu/KGS/education/4H.htm>). The Geology project book can be found on the Russell Co. 4-H website under the "fair" section.

Polished specimens may lose points at the state fair. Box must have a Plexiglass cover that can be opened. Specimens cannot be mounted in jewelry.

GEOL 715 1st year project – consists of 15 different specimens of rocks, minerals, and/or fossils

4-H Arts

May enter only one item per class. All items must have been made since the last Russell Co. Fair. All items that are easily separated or destroyed may be placed in a clear plastic bag. Junior classes are for ages 9-13; senior classes include ages 14-18. See general rules for determination of 4-H age. Painting and drawing exhibits should be framed and have an attached wire hanger (State Fair rules). No wire hooks taped to the back.

All hangers must support the weight of the item. Pictures should be ready for hanging. Pictures should be mounted on firm mat board with attached hanger (i.e. binder clip). No foam core board or poster board allowed.

Senior exhibits need an artist statement. **The artist statement template can be downloaded from the Russell Co. 4-H webpage under the "Fair" section (Russell.ca.uky.edu).**

- Youth's name
- County
- Fair class
- Title of the Work
- Materials Used
- Explanation of where you got your inspiration or ideas to create this artwork
- What kind of message were you trying to communicate to the viewer (mood, feeling, emotion, etc.)
- How does this piece of art represent you as an artist?
- Heritage Arts ONLY :Tell history of piece including where and why it was first created.

All subject matter should be family friendly, or it will be disqualified.

Drawings and paintings must be mounted on mat board and framed. No glass frames are permitted for the state fair. Some classes have specific size requirements; for all others, the maximum size is 30" x 30". Small items that are easily separated or destroyed should be placed in small plastic bags.

4-H Photography

May enter only one exhibit per class. All pictures must be made since the last Russell Co. Fair.

All classes with one photograph should be mounted on 10x16" WHITE mat board (no poster board or foam core board). Single photographs are limited to a maximum size of 8x12".

All classes with multiple photographs should be mounted on 16x20" WHITE mat board (no poster board or foam core board). Single photograph categories may also be framed, but if photograph is selected for Kentucky State Fair entry, it must be mounted on mat board.

Each picture should be mounted securely. Photos must be mounted on white mat board. (Mat board can be purchased at craft stores such as Hobby Lobby, Michaels, etc. A limited amount of mat board may be available at the Extension Office for purchase.) Rubber cement or dry mounting tissue is recommended. Do NOT use photo mounting corners. Pictures may be cropped (trimmed).

(Suggestion: For best display, single photography categories present best at an 8"x10" size.)

Leave a 2" x 5" section in the lower right corner of the mat board for an identification label.

Labels are REQUIRED for all categories except Horticulture photography. The label should be typed on white unlined paper and placed on the back of the mat board. The label must have the following info: (1) class, (2) subject, (3) location of photo, (4) skill/equipment used (camera specifics such as point and shoot, cellphone camera, or DSLR; if DSLR is used, list specific lens, tripod use, trigger release use, lighting use, etc.), (4) skill applied from 4-H Photography Curriculum with specific curricula page (contact Russell Co. Extension Office for this information). See below for example of label:

Class: 764c - Wildlife	
Subject: deer	
Location: Russell Springs, KY	
Equipment: iPhone 15	OR Canon T3, tripod OR Olympus point and shoot
4-H Photography Skill applied: focus (page 14 Book 1)	

Required materials are to be mounted on the back of the mat board.

HE 889 Transparent finish applied to small wood object. Apply a clear finish such as tung oil or penetrating seal or polyurethane which does not contain stain to a small wood object such as a bowl, tray, cutting board, board game or small box. Items finished with paint do not fit in this category. (Do not put stain on item; it must have a natural finish.)

HE 890 Simple cloth item for the home. (Sewing machine may be used but is not required.) Examples include: decorative pillow, table cloth, laundry bag, place mats, footstool with a seat made of woven fabric, fabric applied to an item such as a box, plate, or lampshade. (Unacceptable items for this category include purses, tote bags, backpacks, duffle bags.)

HE 891 Waste basket -- trashcan decorated by 4-H member

HE 892 Crate Bookshelf – Begin with 2 unfinished wood crates, 2” wood toy wheels, and 4 wide wood pegs, paints. Paint the crate, wheels, and pegs with one color and allow to dry. Use painter’s tape to create geometric designs on the inside and outside of the crate and decorate with paint. Glue wood pegs to corners of crate and allow to dry. Glue toy wheels to center of wide wood pegs and allow to dry. Glue crates together and allow to dry for 24 hours. Try to keep an even paint finish and no paint drips and no glue smudges.

HE 893 Bulletin board (Must be ready to hang with appropriate hardware attached.)

UNIT 2 LIVING WITH OTHERS

HE 894 Decorative item for the home and photo – Decorative item created by the 4-H member; include a photo showing how the item fits into the home’s décor. (Such as latch hook rug, wreaths, etc.) This category does NOT include purses, tote bags, backpacks, duffle bags, or other personal use items.

HE 895 Simple wood item refinished by 4-H Youth. Should have straight lines with no elaborate carvings or turnings. EX: refinish a footstool, children’s furniture, small box, tray, picture frame, bookshelves, or plant stand. Documentation to include a “before” photo with explanation of how the item was refinished must be securely attached.

HE 896 Cloth item for the home created using a sewing machine – examples for this class include hemmed tablecloth or table runner, wall hanging, pillow case, fabric shower curtain, laundry bag, valance, or curtains. (Unacceptable items include purses, tote bags, backpacks, and duffle bags.)

HE 897 Design an invitation card and thank you letter/note for a sleepover, birthday party, or other occasion of your choice. Cards/letters may be created with computer software or handwritten. Invitation card must be the 4-H member’s original artwork, computer-generated art, purchased or found decorative items. The message written in the invitation card is more important than the decorations. Card should be designed on cardstock paper. Write your name and county on the back of the invitation card and place the card in a plastic sheet protector. (Please use fictitious name and address and contact information on the invitation and thank you card.) The envelopes do not need to be included in this exhibit.

HE 899 Individual Table Setting. This exhibit consists of two parts: (1) one individual place setting appropriate to a theme or event chosen by the 4-H member and (2) a color photo of the place setting showing how it should be arranged. Include a

a plate, beverage container(s), placemat, and napkin. Additional decorative items are optional. All items that make up the place setting re to fit on the surface of the placemat. Flatware (knife, fork, and spoon) **must** be included in the photograph showing how all the items are arranged, but do NOT send flatware the the state fair. To ensure that all pieces get returned to the member, write the name and county of the exhibitor on tape and place it on every part of the table setting in a location hidden to the public when exhibited at the fair.

HE 901 Old or discarded item made useful in a new way as a home accessory. The exhibit must include the item AND documentation of a “before” photo, an explanation of how the item was made useful again in a new way, the materials used, and cost and time involved in the project. Examples: old silverware flattened and made into wind chimes, scrap wood pieces made into wall art, old lace doily attached to a pillow or framed, old tool box cleaned up and made into a TV stand.
