

Certificate of completion

Bryan Chen

has successfully passed

the Face milling 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Basic workpiece materials 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Tool grades 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Advanced workpiece materials 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Basic drilling 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Basic milling 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Basic turning 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Advanced drilling 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the End milling 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Advanced turning 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS

Certificate of completion

Bryan Chen

has successfully passed

the Basic threading 60min. course

(Finish: 2 March 2021)

of E-learning Programs for Machining Technology,
“Mitsubishi Materials Expert Programs”

Mitsubishi Materials Corporation
Machining technology center

 MITSUBISHI MATERIALS
