Missionaries to Zambia

It's been a Busy few Months!
Travel and visitors have been the theme of 2022! Three men from the states came for Easter, and what a blessing they were to all of our churches! Together we preached at several locations, saw many come to Christ and baptized over 60 people. One was an 86 year old man, named Bernard. He fell shortly afterwards, and has broken his arm/shoulder. He is doing well but prayers for his healing and growth are needed!

Late April, we traveled to Cape Town, SA. Janice was teaching at a Birth Workers Conference, which went very well! While there, we were able to tour Living Hope Ministries, and have returned to Chipata with new vision for some ministry and outreach. We pray for ways to implement some of the ideas as the Lord provides man power and funding. Much to be excited for and praying about!

Bernard's Baptism

Big Tree Toilets/Showers Nearing Completion!

Praises:
* Traveling mercies for us and the teams * Leadership Conference had a great response. *Ministry continues to expand into new villages. *Continued good health and strength!

Prayer Points:
*Toilet Project completion.
*Wisdom for ministry expansion.
*Leadership to mature and minister.
*Furlough flights home, stateside travel and meetings with churches.

During the Easter conferences, the youth created many dramas to visually show the life, crucifixion and resurrection of Christ. They were so creative, and beautifully enhanced the preaching of the Gospel! It was such a delight to see these young people create, practice and share their talents! They have kindled a passion to preach and teach, and have held conferences at most of the churches. In June, we will travel 2 1/2 hours to Petauke where they will teach and encourage another group of believers. Truly the Lord is Moving in this place! Matthew 5:16
