JAN 2023 UPDATE

## Missionaries to Zambia

### Let the Traveling Begin!

After a wonderful time home with family over Christmas, we ventured on our 3 month tour! We have begun our time in Kansas City, Missouri, and have reconnected and made new friendships with many! The body of Christ is truly one of the greatest gifts from God and we are so grateful for it! The next two months will find us touring the southern states, and we are excited to be sharing all that is happening in the Eastern Province of Zambia.

### Praises :

- Safety in travels thus far, and some much needed work completed on our vehicle.
- Many reconnections and new connections for the work in Zambia!
- Securing the Land Cruiser! "The Beast of the East 2.0"

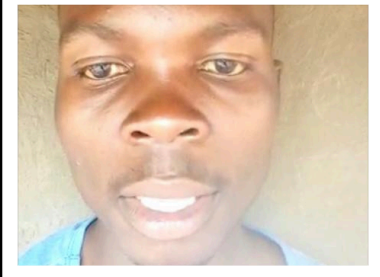

### Prayer Points :

- Traveling until Late March '23
- Continued faithfulness for the leadership and works in Zambia
- Our children, and specifically Savannah as she transitions to the States full time.
- Teams preparing to come to Zambia in 2023! At this point we have May, June and August teams!
- Land to build a training center and home in the bush.

We are praying for the Lord to give us clear direction and vision for our next term in Zambia. So much has been accomplished in the last 10 years, and we want to keep moving in the direction of His leading!

May the Lord abundantly bless you for your faithful support of the ministry in Zambia, Africa!

Sincerely, Dan and Janice Jalowiec

Meet Emmanuel Sakala from Chikoka Baptist. He is a devoted follower of Jesus, and has rearranged his education priorities in order to be available for ministry and serving in several of the village churches.

Last month he was hospitalized with Malaria++. We are so thankful the Lord has spared his life! He is a key part of the youth ministry and is greatly involved with the youth conferences. He still has a ways to go before he is back to full strength, and we would ask you to keep him in your prayers!

Our Crew!

6 grands and each one is a treasure! So blessed by our children and our "In-Loves"!

We have secured a newer land cruiser and it awaits our return to Zambia in April. This is a pic of the "Beast of the East 2.0"! THANK YOU for rallying behind us in this!
