### WARMEST WINTER GREETINGS!

We closed the new year out with one of the most “eventful” December/January New Year seasons to date!

Dan traveled several hours one way for a three day conference to a new church plant. It was thrilling to see new believers soak up the teaching and hungry for more! Upon returning home, within 24 hours, he was completely down with Cholera. It is rampant during the rainy season, and even being extremely careful, with so much exposure/interaction it is inevitable. We were so thankful for God’s mercy, and within a few days, with much hydration and care, he was out of the woods. It was a few weeks before his strength was back to 100%.

It was during this same time on December 16, that our 7<sup>th</sup> grandchild made her entrance into this world! Addilyn Noel joins the Jcrew and we are smitten with her!

Then on December 19, Jan’s mom went home to glory. She was 81 years old, and had fought the good fight and finished her course! It is such a comfort to have the hope of eternal life!

Janice just traveled back to the states this past week to be home with family and for the memorial service. She will stay until after our daughter welcomes her third baby- our Grandie #8 - in March.

While Jan is in the states, Dan is keeping VERY BUSY going through bi-weekly classes in two different “In Town” studies with 14 men. He is also continuing the weekly leadership training out in the village, and circuiting to the several churches on Sundays.

Dan is also making preparations for a team of 7 men coming the end of March for our Resurrection conference. They will travel to several locations during the week, and finish up on Sunday with a large resurrection Celebration Service. There is an exponential affect a team has on the ministry, and what is accomplished for the Kingdom in just a week might take months on our own. It is also such an encouraging time for us! Thank You For Praying!

**Jan and her parents- now both passed into eternity. It is both sobering and comforting. We were so grateful that they lived long, beautiful lives. 60 years of marriage, 4 children, 15 grandchildren, and 15 great grands! We were blessed and miss them greatly!**

Dan with several of the guys at 6am for the “Town Tuesday Bible Study”. This is a group of young men, most of which have already been saved and have gone through the OT/NT Big Picture Bible Study. Some of these guys are NOW TEACHERS for the “Town Thursday Bible Study”!
