EASY INSTALLATION WITH THE INDUSTRY'S ONLY HEIGHT-ADJUSTABLE COVER

THE DRAMA-FREE WAY TO PUT ANY POOL IN THE SPOTLIGHT.

Designed for easy installation and use, ColorLogic® Laminars are the simple way to add unparalleled visual and acoustic appeal to any pool or spa. Their peaceful, glass-like arcs of water catch the sunlight during the day and transform into vibrant streams of color after dark.

THE PERFECT FIT, ANYWHERE

ColorLogic Laminars are easy to customize to suit any backyard. They illuminate utilizing either ColorLogic and CrystaLogic® LED lights and offer multiple lid color options to blend seamlessly with any environment. Their easy-access valves allow stream flow, height and distance to be easily adjusted.
SIMPLIFIED INSTALLATION

ColorLogic Laminars take the work out of installation with an industry-exclusive height-adjustable cover that ensures perfect alignment even after settling. Plus, with fewer dedicated valves and lines, ColorLogic Laminars save time and money too.
EASY OPERATION AND MAINTENANCE

With a locking stream-angle adjustment mechanism, ColorLogic Laminars make matching stream angles on multiple laminars simple. When pool season is over, their efficient design is quick to disassemble for cleaning and winterization.
