

# Pool Records

For the first 20 plus years, no one had ever gotten them *all right .... or all wrong*.

In fact, it was part of a few discussions between Tom (The Captain) and myself, when I suggested we offer a gag prize if anyone ever went winless, since no one had ever done either one before. But that’s all changed now, and *after 4 new records* were set in 2014, I felt this list was appropriate. (Updated 11-12-2018)

## PERFECT WEEKS

- 2005 - **Bart** (13-0) - (week 7 – 2005 - 1<sup>st</sup> person with a perfect week)
- 2014 - **AA Shagner** (12-0) - (week 9 - 2014)
- 2017 – **DJ-200** (13-0) - (week 12 - 2017)
- 2018 – **Thunderlips** (13-0) - (week 8 - 2018)

## WINLESS WEEKS

Two Weeks after Heavier Duty became the only person to ever go winless; TN-No-Easy-Marc took him off the schndie by going winless for 2 more games!

An interesting note on how bad the timing was for his epic (0-15) week, TN-No-Easy-Marc was actually tied for 3<sup>rd</sup> in Total Wins at the time.

- 2008 - **Heavier Duty** (0-13) - (week 7 - 2008)
- 2008 - **TN-No-Easy-Marc** (0-15) - (week 9 - 2008)
- 2014 - **Just Business #3** (0-14) - (week 5 - 2014) \*\*
- 2014 - **Jark** (0-13) - (week 13 - 2014) \*\*
- 2014 – **Need Shoes** (0-15) - (week 16)
- 2016 – **Greek Girl** (0-13) - (week 10)

\*\* Another example of *synchronicity* and ‘*the interwoven mechanics of the universe*’ - Week 5, when **Just Biz 3** went (0-14), **Jark** won 1<sup>st</sup> place. A month later on Week 13, **Jark** went (0-13) and **Just Biz 3** won 1<sup>st</sup> place !!

It’s not only amazing that two guys can be good enough to win 1<sup>st</sup> .... and bad enough to go ‘ofer’ in the same calendar year – but they both did it on the exact same weeks !

**Greek Girl** made it to the Records Page in her first year - just 63 days !! (and went on to win 1<sup>st</sup> week 16 )
