Fantastic stay and great hosts!

Sophie was a pleasure to deal with from the minute we booked the house! She was communicative, helpful and most importantly responsive. She went above and beyond to make it a special girls trip for my best friends 30th bday!! We had the best weekend so thanks for having us!

Perfect property for large group of friends or family

Absolutely lovely property. Sophie the property manager has been excellent, unbelievably quick response to our booking, even when we made the enquiry outside of office hours. She also provided us with an abundance of relevant information prior to our arrival, including what we didn't need to take, which was really useful. Luxury hamper from the owners was just that, full of real luxury items – thank you so much. We have had a fantastic weekend, the house and hot tub were completely spotless and kitchen very well equipped, bed comfortable and lovely large lounge area with plenty of seating inside and out for 10 of us. We found the location was great, with easily accessible paths and tracks for both walking and cycling. Looking forward to returning sometime.

Perfect stay

We had an amazing time at Tissington Ford Barn! The property is beautiful, very comfortable, exceptionally clean, and the welcome hamper was full of luxury goodies. It's ideally situated - close to Ashbourne but also encased by the stunning Peak District. I couldn't end this review without commenting on the truly exceptional service offered by the property manager, Sophie, and the property owner. Both were wonderfully attentive and Sophie, without doubt, is the most helpful property manager I've ever encountered. She's absolutely fantastic, friendly, helpful, polite, professional, responsive and goes above and beyond. She made our stay even more amazing. We will be back!

Best Weekend Ever!!!

We stayed at Tissington Ford Barn in November for my 40th birthday. It was absolutely beautiful, so much so that we are planning a return visit for a girls get together this year, no special occasion, just because we had such a fabulous time!

From start to finish the organisation was a dream, the booking process was fantastic with a full list of recommendations for places to visit in the area, party enhancements, shopping, places to eat/drink and much more. All questions answered and speedy communication which was really appreciated with all the planning that a weekend away involves.

Sophie really is the best at what she does and you can tell by the reviews that treats everyone the same and is an asset to the owners of Tissington Ford Barn and the other properties within the brand.

The barn was just outstanding, I don't go on lots of weekends away with the girls, but many of the girls who came, go away regularly and said this was the best place they had ever stayed on a weekend away. It was definitely the best place I have ever experienced.

We were all over the moon, lovely and clean, warm and cozy, fresh modern decor, plenty of space and fully equipped with everything you need for a group of 12 plus the little extra personal touches from the owners David, Sandy, and property manager Sophie. Lovely addition of the hot tub, gorgeous walks on your doorstep, plenty of parking, outdoor seating, picnic area, outdoor lighting for nighttime and security.

Excellent stay and birthday celebrations!

We have rented the Tissington Ford Barn for 5 days to celebrate my partner's 30th birthday. The communication with the property manager was faultless and she has been very helpful throughout to ensure that we have the best time. We have received a lovely welcome hamper which was just such a lovely touch from the hosts which made us feel so special. The facilities in the barn were excellent, including spacious and modern kitchen as well as very cosy living room with a wood burner and games. And the barn itself was located in such a lovely location which some nice walks and villages nearby. We had a lovely time and all of our friends were impressed with the accommodation! We were sad to go but hoping one day we will be able to come back to enjoy it once more!

Absolutely outstanding, amazing, perfect break!

A group of us recently staying at Tissington Barn for a get together, escaping reality was just what we needed. The barn comes with everything we needed and more! The welcome pack and coffee pods were lovely extras, I literally cant fault anything. Sophie was a great house manager and answered our questions with ease. Everything was perfect, the local walks, the hot tub and the super comfy living room and amazing bedrooms - I will certainly return!
