Hot Tub Hire

We do have the facilities to hold and run a hot tub in the grounds of the property. If you wish to book a luxury seven-seater hot tub as an additional final touch to your stay, please inform us and we shall ensure the hot tub is up to temperature prior to your arrival. Please note cost for a hot tub throughout your stay will amount to £195.00 for the weekend and £225.00 for a week. Please contact Sophie, Property Manager to organise.

Please ask your guests to bring their own beach towels, as these are not supplied, in addition to flat shoes so to avoid any falls. Please adhere to the hot tub rules left at the property to avoid any injuries or damage to the hot tub itself. Such rules include using the steps provided to get in and out of the hot tub, not going into the hot tub if you are wearing fake tan as this will clog the filter and turn it orange. Any damage sustained from your hot tub use will be noted and charged for.

Wedding Stay

We stayed at Tissington Ford Barn for our wedding as we wanted to bring both sides of the family together. All I can say is that it was absolutely perfect and exquisite. The place was so clean and tidy. We knew it was beautiful from looking at the photos but when we got to see it in real life, it just took our breath away! The rooms are comfortable and the kitchen comes fully stocked with everything you need! We got to meet the owner of the place and he was incredibly kind and helpful. We are also grateful for our wedding gifts left for us. We will be returning very soon!!

Perfect

I would not hesitate to recommend the barn to anybody we can not wait to return. We were there for our sons wedding at Tissington Hall. The barn was the perfect setting for us all to get ready on the morning. With the help of the barn manager I arranged makeup lady hairdresser and transport all to come to the barn. They could not have been more helpful, lovely touches of leaving flowers in the colour scheme of the wedding and a gift for bride and groom plus the welcome pack of local products was delicious. The barn is spotless and has everything you need (and more) for a self catering stay
