

PONY CLUB VICTORIA COME & TRY JOURNEY

Come and Try membership provides an opportunity for people new to pony club to experience a rally and find out which club is the best fit for them. A maximum of three come and try experiences is permitted. This may be at one club or multiple clubs. Each time you attend, a new Come and Try membership must be purchased through the members JustGo profile.

Below are the steps to begin your journey within pony club.

Step 1: Find a club near you.

If you have already contacted a club and arranged a Come and Try, skip to Step 2.

Go to the Pony Club Victoria Website [Find A Club – Pony Club Victoria](#) to find a club near you and details of who to contact.

Step 2: Contact club.

Connect with the club contact to enquire about availability and a date to attend. There may be a small club fee to pay on the day, so make sure you find out how much it will cost, what to bring and what time you need to arrive.

Step 3: Create a Pony Club Australia Membership Profile.

Create a profile in the membership database [JustGo](#)

Pony Club Australia is the national body for pony club. Pony Club Victoria is a member state and uses the national database to process memberships. All people attending pony club require a profile in the national database called JustGo. Parents of riders aged under 17 years, will require a profile but for now just set one up for the rider.

Step 4: Join Victoria Direct

Come and try membership is purchased from the JustGo club called **Victoria Direct**. Use the search function in JustGo to find Victoria Direct and join.

A fee of \$20 (plus small surcharge fee) will be paid at checkout. This will give the rider membership for one rally which includes public & liability insurance when in attendance at the club rally.

If the rider proceeds to join within a month of rally, the fee paid is deducted from the full membership offering when upgrading to a full membership.

A confirmation email will be issued when you successfully join.

Step 5: Provide club confirmation of membership.

The club will require evidence that you have purchased come and try membership. You can show your confirmation email or screenshot the membership tile found within your profile. See below.

Step 6: Attend rally.

You are set and ready for a rally.

On the day, park, secure your pony and make your way to the clubrooms.

There you will meet the Club District Commissioner and/or membership volunteer and can settle any outstanding fees and confirm the plans for the day and where all the facilities are located.
