PARKING for the Association Meet will be tough but we have a great relationship with our community so we have lots of options. First option: there are close to 100 parking spots at either Franklin Middle School or the Yakima Museum. Second option: any surface streets EXCEPT Stanley Blvd. 23rd is on the west side of the park, Chestnut is on the north side of the park, and 19th is on the east side of the park. You can also park one or two blocks further back but please make sure you do not block anyone's driveway. We also have permission from Central Lutheran to use their parking lot all day Saturday. If all of that parking is taken up, more parking is available on the south side of Tieton Drive but please use the cross-walk which is by 21st Ave as this is a busy street.

The 2017 video is currently up and the 2018 video will be up by September 1st. For those that ran the 2017 course, the only change was we flipped the laps (The 1000-meter loop is run first and the 2000 meter loop is run second to avoid runner being lapped).
