

Rules & Instructions

1. Set the buckets 17' apart (measure from front of buckets).
2. Fill with weight or anchor with stakes. If using weight, use the following guidelines: water (3/4 full), trash bags (fill with water till 2/3 of the bucket & tie knot), sand (1/2 full) and Giant Pong sandbags (fill with sand). See videos at www.giantpong.net/rules
3. Form 2 teams of 2 players: **Team A** <~ 17ft ~> **Team B**
4. Teams stand behind their bucket and attempt to shoot the basketball into the opposite team's bucket
5. Teams and teammates alternate shooting the basketball after every shot (no blocking or goal tending).

Points System

- Shooting the ball in the bucket = 2 points for shooting team
- Catching the opponent's shot off the bucket rim (rebound) before the ball hits the ground = 1 point for non shooting team
- First team to 10 wins. Change sides. Play 2 out of 3!!
