COMPANY SNAPSHOT

Cage Code: 8JEB5

DUNS: 117465573

MC: 057359

SCAC: ASLY

USDOT: 3369039

SERVICES

As an authorized FMCSA interstate carrier we specialize in hot-shot expediting, final mile and route deliveries.

In addition, we offer general, medical, and pharmaceutical courier services including supplies, equipment and prescriptions.

DIFFERENTIATORS

To meet your freight transportation needs we are available 24-hours/7 days per week. Our partnership with Penske Trucks allows immediate access to additional fleet when needed.

Our solo or team drivers have a proven track-record for safely providing professional white-glove service and prompt deliveries.

BACKGROUND

We are an established company built on integrity, hard work and solid family values. AGTransport Solutions, LLC was born to carry on the Thomas family namesake.

Our goal is to leave a legacy for generations to come; therefore, the strong work ethic that we have is evident in our past performance.

This husband and wife team have 8 years in business and 20 years trucking industry experience.

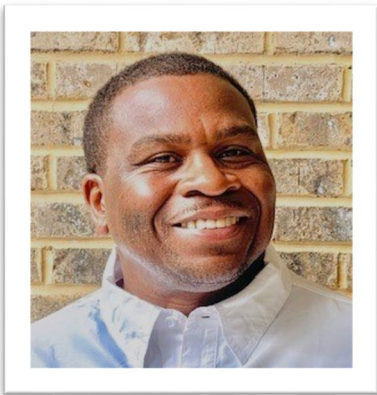

Building long-lasting relationships with our clients and partners are a top priority. We attribute open communication, attention to detail and a pro-active problem-solving approach to our success.

Providing an exceptional client experience and quality-service are standards that we strive to achieve with each delivery.

OUR PROMISE

We are personally committed to customizing a solution to meet your freight transportation needs at an affordable competitive price.

Lastly, we ensure that all safety and compliance standards are met to guarantee your freight is delivered promptly every time.
