

60th Annual Flood Run®

After helping to raise almost \$350,000 for Gillette Children's Hospital through the Flood Run over the last 7 years, the Polaris Foundation is gifting all Flood Run trademark rights and assets, including the website and Facebook page, to Brad Smith and the Harbor Bar at the end of this year. Harbor Bar plans to uphold the strong tradition of celebrating the motorcycle riding community and their charitable spirit through future Spring and Fall Flood Run rides. Interested sponsors can reach out to Brad Smith at the Harbor Bar.
