

Red Rock Estates HOA Covenant Survey Results

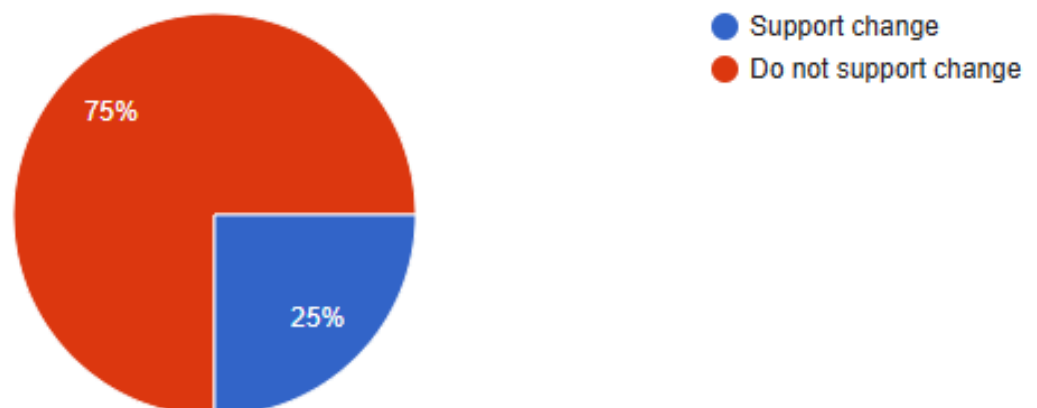

ARTICLE IV, SECTION 1, SUBSECTION H: Solar panels may be permitted with restrictions established by the HOA Board and the Architectural Committee. Black Hills Solar has provided recommendations on the type, color, and system size, specifying rooftop installations only. Ground-mounted solar panels will not be permitted. All solar panel proposals must receive approval prior to purchase and installation.

60 responses

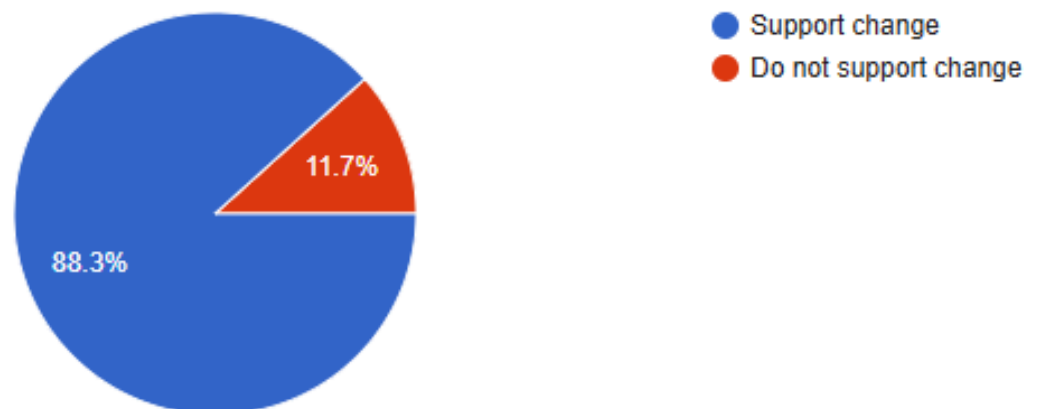

ARTICLE III, SECTION 13: On-Street Parking. This covenant remains unchanged except for an addition permitting vehicles owned by family members—and used daily—to park on the street in front of their residence.

60 responses

ARTICLE III, SECTION 17: Fences. The only revision to this covenant will allow removable fences, composed of materials approved by the Board and the Architectural Committee, that are intended to protect trees and plantings. Border fences will not be permitted.

60 responses

ARTICLE IV, SECTION 1, SUBSECTION E: Motorized and recreational vehicles with valid state licenses may be driven on the community streets. These vehicles must still be parked in garages and are not permitted to be stored in driveways.
