

Bocana Resources Corp. Extends Letter of Intent on Arizona Mining Claims for Additional Bulk Testing and Assay Review

Calgary, Alberta, February 20, 2026 – Bocana Resources Corp. (TSXV: BOCA) (Frankfurt: VC1) ("**Bocana**" or the "**Company**"), further to the several press releases related to the Company's due diligence on the Arizona placer mining claims owned by LP Associates, LLC ("**LPA**"), LPA has agreed to extend the Letter of Intent ("**LOI**") by an additional sixty (60) days in exchange for an additional advance payment of fifty thousand (US\$50,000) dollars. The extension agreement will allow time for Bocana to secure an exploration permit, if necessary, from the U.S. Bureau of Land Management for the subject lands, conduct a larger bulk sampling of the ore, and run the materials through a temporary, off-site pilot processing plant.

This one-time bulk sampling effort is an advanced exploration and development activity to investigate the metallurgical properties of a representative sample of the ore body, to test extractive milling procedures, mill equipment, processing methods, recovery rates, and potential markets. The processed ore will then be sent for assay analysis.

All other terms and conditions of the original Letter of Intent remain the same.

The TSX Venture Exchange has in no way passed upon the merits of the Transaction and has neither approved nor disapproved the contents of this press release.
