Arrowhead West, Inc.

Location: 1100 East Wyatt Earp Blvd
Dodge City, KS 67801
620-227-8803
www.arrowheadwest.org

Arrowhead West, Inc., is a non-profit organization that provides early intervention services to children birth through 3 years of age and special services to adults age 18 and older.

SERVICES PROVIDED:

- ◆ Child Find and Child Evaluation
Tests are done to determine if your child needs early intervention services. Screenings test how well your child learns; communicates; gets along with others; hears, sees, moves; and does things independently.
- ◆ Referral
- ◆ Family Services Coordination
Activities to help a family find and use services in a way that meets the needs and wishes of the child and family.
- ◆ Intervention Programs
Services that meet the developmental needs of a child and the needs of the family to improve the child's developmental skills.
These services may include:
 - Speech-Language
 - Physical Therapy
 - Special Instruction

(Continued next page)

Arrowhead West continued...

◆ Respite Care

Program to help sustain the family or other primary care giver by providing them temporary relief from the ongoing responsibility of care for a member of the family who has a disability.

◆ Transition to School

◆ Assistive Technology

◆ Resource Library

◆ Community Living Services (Adults)

The goal of this program is to enable persons served to have the best possible quality of life through integrated community service.

◆ Adult Life Skills

Program that provides training in life skills, personal social adjustment, work attitude and skills exploration. Also helps to prepare for or achieve active retirement. And helps to improve or maintain functioning, or reduce regression of individuals with very limited personal, social and pre-vocational skills.

◆ Employment Services (Adults)

Provides work opportunities and instruction to assist persons with disabilities to maximize their vocational abilities.

Not a Medical Facility

Bob Box

Bob Box Information and Pick Up:
Hodgeman County Health Dept.
500 Main Courthouse
Jetmore, KS 67854
620-357-8736

Eligibility Requirements:

A senior citizen who experiences times when it is difficult to buy food
Fixed income
Age 65 & older

Mission:

Bob boxes are designed for senior citizens who do not have food to eat. They are a safety net provided by the Kansas Food Bank, sponsored and endorsed by Senator Robert Dole. They are specifically meant to assist seniors who would rather go without before they would ever ask for help. A Bob Box is a “Hand Up... not a Hand Out.”

For more information on Kansas Food Bank:

www.kansasfoodbank.org
info@kansasfoodbank.org
316-265-3663

The Cancer Information Service

The Cancer Information Service is a program of the National Cancer Institute. It is a nationwide telephone service for cancer patients and their families and friends, the public and health care professionals. The staff can answer questions (in English or Spanish) and can send free National Cancer Institute materials about cancer. They also know about support groups and other resources and services.

“See to Learn” Program

Eye Care Council
1-800-960-EYES

Contact: Todd Fleischer
1266 SW Topeka Blv.
Topeka, KS 66612
www.seetolearn.com

The “See to Learn” Program is a three step program designed to assure that kindergarten children entering Kansas schools can *see to learn*. Sponsored by the Kansas Optometric Association and The Eye Care Council.

◆ Step One:

Ongoing education to alert parents and educators about the signs of vision problems in children of any age.

◆ Step Two:

Free vision assessment for three year olds. The objective of the assessment is to detect vision conditions which require correction at an early age. The assessments will be conducted by a participating Eye Care Council Optometrist.

◆ Step Three:

Professional vision examination from an optometrist or ophthalmologist, paid for by you the parent, prior to your child starting kindergarten. This is an investment which will ensure that vision problems do not affect your child’s ability to learn and do well in school.

If you need a referral for either a vision assessment for your three year old or an examination for your kindergarten student, please call the Eye Care Council:
1-800-960-EYES

Shriners Hospitals

Contact: Headquarters
Shriners Hospital

Location: 2900 Rockey Point Drive
PO Box 31356
Tampa, FL 33631
1-800-237-5055
www.shrinershq.org

Shriners Hospital for Children is a network of 19 orthopedic hospitals and four burns institutes, founded by the Shrine, where children under the age of 18 receive excellent medical care absolutely free of charge. These “Centers of Excellence” serve as major referral centers for children whose families cannot afford to pay for the care they need.

All of the orthopedic hospitals are equipped and staffed to treat children with congenital orthopedic deformities, problems resulting from orthopedic injuries, and diseases of the musculoskeletal system. Three of the orthopedic hospitals also have special programs dedicated to caring for children with spinal cord injuries.

The three Shriners Burns Institutes treat children with acute, fresh burns; children needing plastic reconstructive or restorative surgery as a result of “healed burns; children with severe scarring, resulting in contractures of interference with mobility of the limbs; and children with scarring and deformity of the face. Shriners Hospitals and Shriners Burns Institutes are open to all children without regard to race, religion or relationship to a Shriner. There is never a charge to the patient or parents for any medical care or services provided at a Shriners Hospital. Any child who meets the following criteria may be eligible for care at Shriners Hospital:

- ◆ If the child is under the age of 18
- ◆ If treatment at another facility would place a financial burden on the child’s family or legal guardian
- ◆ If there is a reasonable possibility the child’s condition can be helped

Application forms for admission to a Shriners Hospital can be obtained by requesting one from the above address or at www.shrinershq.org.

WIC is a special supplemental food program for pregnant, Breast-feeding and post-partum women; infants; and children up to age 5. These persons must:

- ◆ Meet income guidelines
- ◆ Be at nutritional risk as determined by a WIC Health Professional

WIC PROVIDES:

- ◆ The goal of WIC is to prevent or correct health problems caused by poor nutrition, by providing nutritious foods and nutrition education.

Nutritious Foods:

- ◆ WIC foods are meant to supplement your diet at an important time in growth and development. The type and amount of food you receive is prescribed by the health professional and may vary.

Nutrition Education:

- ◆ A nutritionist or nurse will talk with you and provide films and pamphlets to help increase your understanding of nutrition.

WIC encourages regular health care:

- ◆ Ask your clinic about health care for you and your family.
