## THE EXPERIENCE

From our first conversation through final gallery delivery, my goal is to create an experience that feels effortless and enjoyable. I work closely with couples to help plan photography timelines, identify meaningful moments, and ensure the day flows naturally while every important detail is captured beautifully.

## FREQUENTLY ASKED QUESTIONS

- When should we book our photographer?
  - Most couples reserve their wedding photographer 6–12 months in advance, particularly for peak wedding season dates.
- Will you help with our wedding timeline?
  - Yes. I'm happy to help create a timeline that allows time for portraits, family photos, and candid moments while keeping the day relaxed.
- How will we receive our images?
  - Your photographs are delivered in a private online gallery where you can download high-resolution files and order professional prints.
- When will we see our photos?

- You'll receive curated sneak peeks the day after your wedding, with the full gallery delivered within the timeframe listed in your collection.
  - How do we reserve our date?
    - A signed agreement and deposit are required to officially reserve your wedding date.
