Equine Photography Collections

Equine sessions are designed to showcase the beauty, personality, and partnership between horse and rider. Whether you are looking for timeless portraits, artistic fine art images, or professional marketing content, each session is carefully planned to highlight your horse at its very best.

All sessions include **horse preparation guidance and professional editing**.

Collection 1 — Horse & Rider Portrait Session

Perfect for celebrating the partnership between horse and rider. These sessions focus on connection, personality, and natural moments. They are also a beautiful option for **senior portraits, rider milestones, or personal keepsakes with a beloved horse**.

Session Details

- 60-minute portrait session
- Up to 2 outfit changes
- Combination of horse & rider portraits and horse-only portraits
- 20–30 professionally edited images
- Private online gallery with download access
- Print release for personal printing
- Sneak peek images within 24 hours

Gallery Delivery: Full gallery delivered within 2–4 weeks

Investment: Starting at \$275

Add-Ons

- Portrait Highlight Reel — \$75
 - Additional Horse — \$20
-

Collection 2 — Equine Fine Art Session

Designed to create striking, gallery-quality artwork of your horse. These sessions use dramatic lighting and minimalist black or white backgrounds to highlight expression, conformation, and elegance.

These images are especially popular for **wall art, framed prints, and barn displays.**

Session Details

- 30–45 minute session
- Maximum of **3 horses**
- Black or white background fine art style
- 10 professionally edited images
- Private online gallery with download access
- Print release for personal printing

Gallery Delivery: Full gallery delivered within **2–4 weeks**

Investment: Starting at \$250

Add-Ons

- Additional Horses
-

Collection 3 — Equine Sales & Marketing Session

Designed for **owners, breeders, trainers, and stallions** who need professional images and video to promote horses for sale or market their training programs.

These sessions focus on clean, professional content that highlights conformation, movement, and personality — helping horses and programs stand out online.

Session Details

- Conformation photos (both sides + $\frac{3}{4}$ angles)
- Headshot portraits
- Movement or liberty photos
- Under saddle images (if applicable)
- 12–18 professionally edited images
- **3 social media reels included**
- Commercial use license for advertising and sale listings
- Private online gallery with download access

Gallery Delivery: Full gallery delivered within **3–5 weeks**

Investment: Starting at \$400

Add-Ons

- Long-form horizontal promotional video (ideal for websites or ads) — \$150
-

Travel

Travel is included within **35 miles of Hurleyville, NY**.

Sessions beyond this distance will incur a travel fee of **\$0.65 per mile (round trip)**.

Final travel costs will be discussed during your consultation prior to booking.

Booking & Deposit

A **25% non-refundable deposit** is required to secure your session date. The remaining balance is due prior to or on the day of the session.

Barn Session Discount

If **3 or more horses are booked at the same barn on the same day**, each client receives a **\$25 discount** on their session and travel costs are shared.

This is a great option for **barn mates, lesson programs, and training barns** looking to book sessions together.
