

Inspired Outdoor Spaces Rooted in Beauty and Ease

2D Site Visit & Measurement

- \$125 for the first hour, then \$75/hour for each additional hour after that.
- Includes measurements, design notes, and discussions.
- **Payment is due at the end of the site visit.**

2D Landscape Design (Flat Plans)

- Custom 2D plans drawn to scale (1" = 10') and tailored to your property.
- Design work is billed at \$75/hour.
- Design fees will be requested as soon as the design is completed.
- Once the payment is received, the design will be released.
- Design fees are due upon delivery, regardless of HOA review status.

We provide good faith estimate of design hours in advance. Any additional time required beyond the initial estimate of time will be communicated to you at time of delivery with explanation.

2D Design Review & Revisions

- Includes feedback and changes post-delivery. Complementary 20-minute review is included. Complementary review must be completed within 7 days of plan delivery date.
- Review time beyond the complementary 20 minutes time is billed at \$75/hour billed in 30-minute increments and invoiced after revisions are completed and before final plan is delivered.
- Review includes emails, texts and calls pertaining to review questions.

I agree to the 2D design terms and fees noted above.
