

BALLOT MEASURE A

Passed

The Eagle County Conservation District is thrilled to announce that Ballot Measure A passed with an astounding level of support, reflecting our community's deep commitment to conserving and preserving our natural resources.

Approximately 16,000 ballots were mailed out, with a very positive return rate of nearly 8,000 ballots. The vote count was 5,344 in favor and 2,527 against, demonstrating widespread support for the measure.

Thank you to all the voters who participated in this election. With your support, ECCD will continue to grow and pursue opportunities that will benefit all Eagle County residents for years to come. Your commitment will make a meaningful impact on our organization and our ability to restore, protect, and enhance our local lands, wildlife, and water.
