EAGLE COUNTY CONSERVATION DISTRICT

50/50 CONSERVATION GRANT APPLICATION

Due: December 15th, 2026 | Submit to: Grants@ECCDistrict.org

Exhibit A: Project Scope and Deliverables

CONTACT INFORMATION

Name: _____

Email: _____

Phone: _____

Physical Address: _____

Mailing Address: _____

Are you a:

- ☐ Landowner
- ☐ Land Manager

PROJECT BACKGROUND INFORMATION

Project Title: _____

Project Location
(map must be included): _____

EAGLE COUNTY CONSERVATION DISTRICT

Is this project a continuation of a project funded by ECCD from the previous year?
Please note that new funds may not be requested for project activities funded via a previous grant ECCD grant cycle - only new project activities may be funded

- ☐ Yes
- ☐ No

If yes, list the project name:

Are these funds matching funds for a larger grant project?

- ☐ Yes
- ☐ No

If yes, list partners and total anticipated budget:

Are you applying for funding from other sources for this project (i.e. NRCS programs, state/federal grant programs, nonprofit funding, etc.)?

- ☐ Yes
- ☐ No

If yes, list other funding sources:

Is this project in response to an unforeseen emergency or natural hazard such as fire or flood?

- ☐ Yes
- ☐ No

If yes, explain:

What natural resource category(ies) do(es) your project address?

- ☐ Land
- ☐ Water
- ☐ Vegetation
- ☐ Wildlife
- ☐ Sustainability

Does this project include noxious weed treatment, as classified by the Colorado Department of Agriculture (List A, B or C)?
**This grant will not award only noxious weed treatment. Please see our Noxious Weed Cost-Share Program*

- ☐ Yes
- ☐ No

If yes, what species will be treated and what control methods do you intend to use? Do you need technical assistance?

Engineering practices must be planned and installed in accordance with technical standards and specifications provided by the Natural Resources Conservation Service (NRCS) or authorized by a professional engineer. Will there be any engineering practices included in the scope of work?

- ☐ Yes
- ☐ No

If yes, who is the engineer?

Does this project require permitting?

- ☐ Yes
- ☐ No

If yes, what is the status of the permit?

Does this project require technical assistance?
If you are unsure or have technical questions prior to application submission, please contact Grants@ECCDistrict.org or (970) 236-6565

- ☐ Yes
- ☐ No

EAGLE COUNTY CONSERVATION DISTRICT

PROJECT DETAILS

Project Description (limit 300 words):

*Outline **what** specific actions will be implemented to carry out the project and identify the natural resources that will be impacted. It should clearly describe what will be done, and the expected **ecological benefits** (e.g., soil, water quality, habitat, vegetation).*

EAGLE COUNTY CONSERVATION DISTRICT

Background (limit 200 words):

*Explain the need for the project by describing the existing conditions, relevant research, and conservation issues the project aims to address. It should clearly articulate **why** the project is necessary and how it responds to identified natural resource concerns, including why the work is needed now and what is likely to happen if it is delayed.*

EAGLE COUNTY CONSERVATION DISTRICT

Project Method (limit 300 words):

*Describe **how** the project will be implemented, including the **strategies, an outline or clear sequence of tasks/practices and an anticipated timeline** for completing the work. Explain why these methods are appropriate (e.g., NRCS or other science-based practices).*

EAGLE COUNTY CONSERVATION DISTRICT

Project Success and Deliverables (limit 250 words):

*Define how project outcomes will be **measured and evaluated,** including specific metrics, monitoring methods, and reporting requirements. Explain how success will be demonstrated and documented.*

ECCD Alignment (limit 100 words):

*Describe **how** the project supports the ECCD mission, vision and Strategic Operating Plan (SOP).*

Community Value (limit 100 words):

*Describe **who** will benefit from the project. (e.g., neighbors, the watershed, the county or the region).*

EAGLE COUNTY CONSERVATION DISTRICT

METRICS TRACKING

Deliverable Data: (Expected metrics upon completion of the project)	
Number of acres to be impacted	
Number of acres to be revegetated	
Expected crop yield gains (%)	
Acres of brush management/forest health work	
Number of soil health tests to be completed	
Number of acres that receiving soil health practices	
Number of grazing plans to be developed	
Feet of trees/windbreak to be planted	
Feet of fence to be built	
Number of wells to be installed	
Number of ponds to be installed	
Number of livestock tanks to be installed	
Number of irrigation systems to be installed	
Feet of irrigation pipe to be installed	
Expected efficiency gains %	
Gallons of water to be conserved	
Acres or square feet of gardens to be planted	
Acres or square feet of pollinator habitat improvement	
Number of greenhouses, hoop houses, high/low tunnels to be installed	
Other quantifiable impacts to be made:	

REQUIRED DOCUMENTS FOR S

- ☐ Site map showing project location and proposed work
- ☐ Pre-project photos
- ☐ All estimates/quotes and a brief budget narrative for budget items (Exhibit B)

CERTIFICATION

By signing below, I certify that:

- ☐ The information provided in this application is accurate and complete to the best of my knowledge.
- ☐ I understand that if I am awarded, I will need to submit a W-9 and complete a release and indemnification agreement

Grantee / Landowner / Land Manager Signature Date
