

Jean \*\*\*

## County Good Service Award

Jean is an experienced, enthusiastic, organised and well-loved Leader who gives a huge amount of time to Girlguiding, not just for her own girls, but helping other Units when needed. She has been involved in FLAME for many years, Sparks, Showtime and at Division and District events. Her sewing machine is used for most of these events and it is this sort of quiet, background support that is not often seen but is needed and greatly appreciated. Jean is there to support everyone and delivers Good Guiding at all times. She has earned the nickname 'stealth Guider' for always being prepared.

Jean is great fun to work with and spend time with. From days sat in fields making endless wool men at Margaret Williams Challenge Day, to a fabulous trip to Our Chalet, from being there to help make endless neckers for FLAME, to hurrying through Poole to catch the train back from Brownsea with what seemed like hundreds of Brownies; Jean is simply everything you could wish for in a Leader and friend.

Jean gives her time willingly helping other Units when in need for additional Leaders both at weekly meetings and residential events. Jean's devotion to Guiding is exceptional.
