

Award for Outstanding Service THE COUNTY GOOD SERVICE BROOCH

Purpose

The County Good Service Brooch will be awarded to recognise and acknowledge the outstanding contribution and commitment that any member over the age of eighteen has made to the promotion and enhancement of Guiding within Hampshire West. This contribution will be beyond that which is normally expected of any member holding that role or appointment.

These procedures have been agreed to ensure that the awarding of the County Good Service Brooch is fair and equitable.

Criteria

1. Applications must be made without the knowledge of the nominee and supported by a minimum of 3 letters, or questionnaires, of recommendation.
2. The award may be made to any member over the age of eighteen involved in Guiding irrespective of the appointment they hold.
3. The nominee will be involved in events and activities within the County on a wider scale in addition to that expected of their main appointment within Guiding. As this is a County award, involvement at County level should be evident in addition to that at District or Division level. This involvement may take the form of an additional appointment although this is not a requirement of the Award.
4. Nominations may be made by any member of Girlguiding, the Trefoil Guild and associated organisations but must be supported by the appropriate Division Commissioner or Chairman of the Awards Sub-Committee.
5. The Award is a framed certificate and a metal brooch in the form of the County Standard. The brooch may be worn in or out of guide wear.
6. The Award should not be considered as recognition of long service or as a 'retirement' gift.
7. Applications will not normally be considered more than six months after completion of service is undertaken in Guiding.
