

Hampshire West Approved Residential Venues/Sites

County Outdoor Activities Adviser:

Email: outdoor_activities_adviser@girlguidinghantswest.org.uk

County Residential Adviser:

Email: residential_adviser@girlguidinghantswest.org.uk

Numbers in buildings will be governed by either this list for halls or as recommended by the venue/site. However you will need to consider Girlguiding's ratios for buildings with adults to girls, especially when taking different sections.

If in doubt, please consult with the County Residential Adviser.

It is the leader in charge's responsibility to obtain a risk assessment from the venue/site management and to refer to this in their own risk assessment and to complete/submit a REN form to their local commissioner for approval.

If a venue or site is not on this list you will not be able to have a REN form signed off for part 1 without it being approved by the County Residential Adviser.

If somewhere you'd like to use needs approval,
please allow at least 3 - 4 months before your event for this to be done.

Hampshire County Council run/regulated accommodation

Any accommodation that is regulated and endorsed by Hampshire County Council, eg Blue Reef Aquarium, Fairthorne Manor, etc these are acceptable for residential events, but Leaders are responsible for checking its suitability for their own event.

Suggested activities

There is a section with activities available in various areas in Hampshire West

Websites

The websites are correct as of 2022. If the link does not work, please type in the hall/campsite as a keyword in your search engine and the new link should hopefully appear!
