Numbers in buildings will be governed by either the list below for halls or as recommended by the venue. However you will need to consider Girlguiding's ratios for buildings with adults to girls and also when taking different sections. If in doubt, please consult with your Division Residential Adviser.

Hampshire County Council run/regulated accommodation

Any accommodation that is regulated and endorsed by Hampshire County Council, such as the Blue Reef Aquarium www.blureefaquarium.co.uk/portsmouth/ or Fairthorne Manor, www.ymca-fg.org/for-groups/fairthorne-manor-2, is acceptable for residential. Leaders are responsible for checking its suitability for their event.

Suggested activities for each division

There is now a section for each Division with activities available in that area.

The websites are correct as of October 2017. If the link does not work, please type in the hall/campsite as a keyword in your search engine and the new link should hopefully appear!
