Next Month's Speaker(s)

Our February speaker will be Dick Fincher of Phase II Lures. He will give a 20% discount for purchased or ordered items at the meeting. Dick will discuss how lures are made and fished for best results.

2018 Fishing tournament winners will receive their engraved trophies at the February meeting. For 2019, all paid members will automatically be entered in the three tournaments. Trout, Striper and Blue fish. Members must submit a photo of the fish and tape measure with a dated FFA Fish Card. Please post your fish on Facebook or email it to me within two weeks of the catch for your fish to be considered. Winners will have bragging rights for the year, have their name engraved on the trophy with a mention in the Falmouth Enterprise.

Discussion about the upcoming FFA fishing trips will be top on the list for this next meeting. We are working on a spot to fish the canal in May and will have a location and date depending moon phase and tide in the spring. Don't forget the April Haddock party boat trip out of Plymouth and a trip fishing the beaches in June or July.
