Do you have a good fishing story?

I was lucky enough to be invited on a friend's boat on 7/16/12 for my very first tuna fishing expedition. The skies were blue with a consistent wind blowing. The chop, and the distance, kept some of the other boaters out of the area. From Waquoit Bay we traveled 3 hours to our destination of "The Dump", located south of the Vineyard. Whales and dolphins seemed to be everywhere. Trolling with a variety of plugs and rigs we managed to pick up 2 beautiful bluefin. This is one of them.
