Do you have a good fishing story?

I went fishing Sunday on my friend Rick's boat leaving at 10:00 am. The weather was overcast with a chance of showers we left the dock in Onset for Buzzard's Bay. As soon as we stopped off the coast of Falmouth, it may be Pocasset near a lighthouse, we dropped our lines and we were catching scup and black bass fairly quick. I was the last to catch one, an eighteen inch black bass. Yes, that is me in the green fleece. We were using cut bait squid.
