Date: _____

Thank you very much for taking the time to complete this application. Please answer every question and give as much detail as possible, providing phone numbers and appropriate contact persons. You must be 24 years of age or older to adopt. Completion of the application does not guarantee adoption. Cats are adopted to the person and home who presents the best match for the animal.

The Foster and Adoption Program in Laguna Woods Village is supported by donations and a variety of fund raisers; it is not for profit. All our cats have been spayed/neutered and have current vaccinations. If there is any health concern they have been examined by a veterinarian. They are fostered in our homes with our own pets and families.
