

Laguna Woods Cat Club - Adoption Application and Agreement

Thank you very much for taking the time to complete the application. Please answer every question and give as much detail as possible, providing phone numbers and appropriate contact persons. You must be 21 years of age or older to adopt. Completion of the application does not guarantee adoption. Cats are adopted to the person and home who presents the best match for the animal. The adoption fee will be applied at the finalization of the adoption.

The Foster Program in Laguna Woods Village is supported by donations and a variety of fund raisers; it is not for profit. All cats have been spayed/neutered, have current vaccinations. If there is any health concern, they have been examined by a veterinarian. They are fostered in our homes with our own pets and family.
