

## Supporting Visual Arts and Jazz

Dear friends this year we are presenting our **20th Annual Arts and Jazzfest NYC™** festival on *Governor's Island* and my **35th year of advocating for visual arts & jazz**. I am excited to reach this milestone!

Please consider purchasing a limited edition print entitled "**Billie's Blues**" (each giclee is 30 x 40 printed on archival paper and is handpainted and numbered) or consider making a **donation of \$55**. You can make a donation via **PayPal** on our website at [www.artsandjazzfestny.com](http://www.artsandjazzfestny.com)

Your support *helps us to keep creating jobs, present arts and education, and keep our festival free and open to everyone*. For additional info call (212) 665-5313 **Gwen Black, Artist/Festival Founder & Producer**
