

## Foster/Lamb Neonatal and Pediatric Award

### Purpose:

To honor an individual who has contributed to the neonatal/pediatric respiratory therapy community in the State of Missouri.

### Award:

Recipients of this award will be announced at the MSRC annual meeting and will receive a specially engraved plaque and cash award. If the recipient is unable to attend, their award will be sent to them.

### Criteria for Selection:

Nominees for the Foster/Lamb Neonatal/Pediatric Award should exhibit qualities of leadership and service to the respiratory therapy community in the state of Missouri. The nominee must be a member of the Missouri Society for Respiratory Care and the American Association for Respiratory Care. The individual's service should be at least 5 years in the field and reflect contributions above and beyond normal expectations with a minimum of 2 years in the Neonatal/Pediatric field.

### Nominations:

Nominations may be made by any MSRC member and submitted to the award committee via email or may be submitted using the online form at [www.mosrc.org](http://www.mosrc.org)

Nominations must include the following:

- Name, address, telephone number of person submitting the nomination
- Name and address of nominee
- Current title
- NPS credential, preferred
- Current organization affiliation
- Brief summary of nominee's respiratory career
- A summary of contributions by the nominee to the respiratory care community
- Other information or recognition relative to outstanding service
- Years of employment (at least 5 years' experience)
- Letter from Supervisor/Manager/Director confirming nominee is in good standing at their organization.
- Nominations should be in word document format, double-spaced, two pages or less and must be received by the review committee no later than April 1 of the award year.

Submission: submit all nominations, prior to April 1, to the Foster/Lamb Neonatal Pediatric Award Committee (the selection committee is composed of the two Director's at Large of the Missouri Society of Respiratory Care.
