IN ORDER, TO LIVE BETTER

Better by design

Live better, with tailored **understairs storage**
Clever storage, perfectly designed to fit and transform any downstairs space - for a calm, organised home.

Single & Double Cupboards

Perfect for housing larger household items like your Hoover, ironing board and even larger sports equipment.

Pull-out Coat Hook

Tucked away inside a cupboard, this pull-out coat hook creates easy access to your everyday essentials such as coats, bags and dog leads.

Pull-out Drawers

Maximising every square inch of space in your room, our drawers come in a variety of widths, depths and combinations to best suit your space.

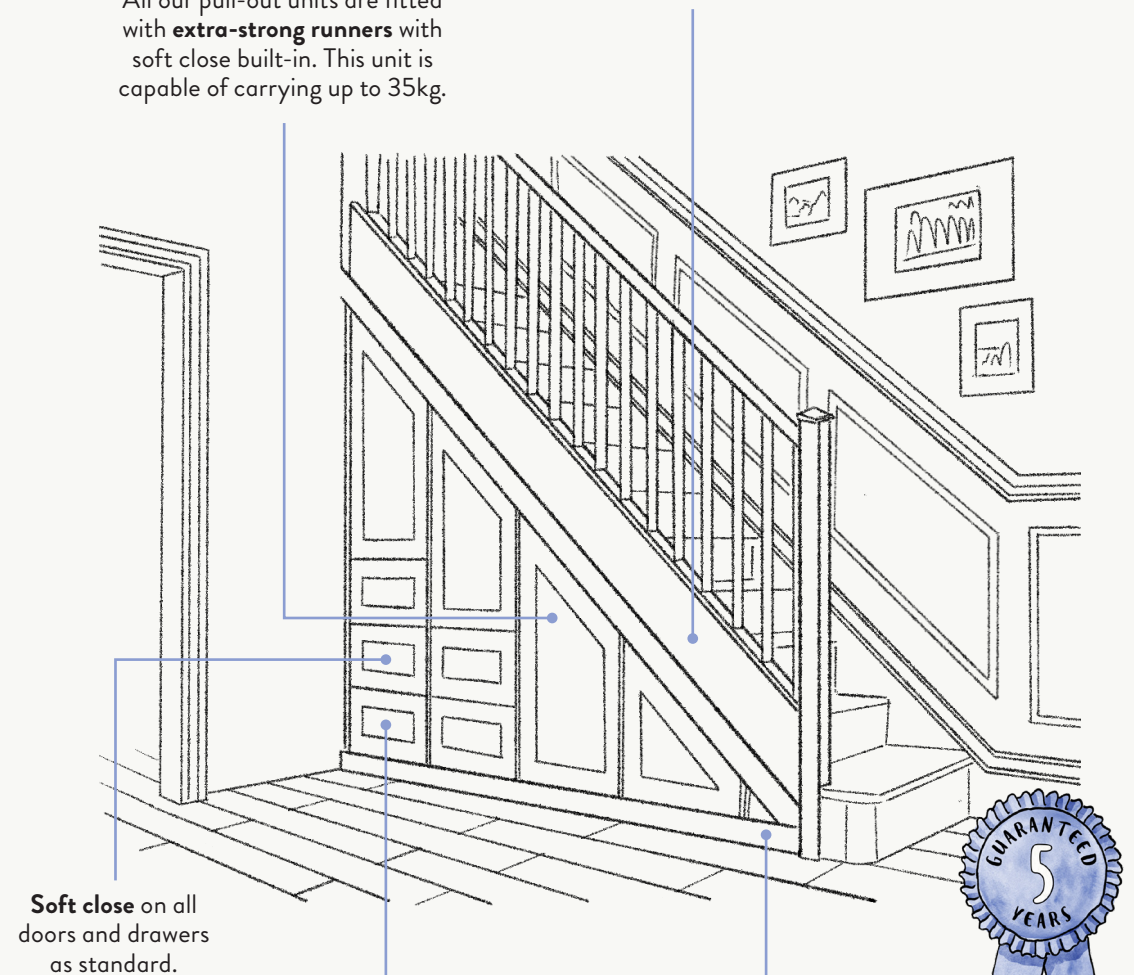

Pull-out Cupboard

The largest of these units houses over 26 pairs of shoes – and they're versatile enough to store other cupboard essentials too.

STAIRSPACE™

Fitted to perfection – using our uniquely designed stair stringer, we ensure our furniture will fit perfectly to the shape of your stairs.

All our pull-out units are fitted with **extra-strong runners** with soft close built-in. This unit is capable of carrying up to 35kg.

Soft close on all doors and drawers as standard.

Our drawers are all built with **four sides** making them super durable.

Extra deep – we offer a choice of depths for your furniture, 600mm or 800mm to make sure we maximise every inch of space.

Skirting
We design these little extras specifically for each range and include as standard.

All our furniture comes with a **5 year guarantee** for added peace of mind.
