

Local Planning Appeal Tribunal  
655 Bay Street, 15<sup>th</sup> floor  
Toronto M5G 1E5  
Attention: Benjamin Waters, Planner/Case Coordinator

Dear Mr. Waters:

**Re: 26-38 and 45-49 Burnhamthorpe Road, PL200097  
1 September 2020 Case Management Conference (CMC)**

I have been made aware of the above-noted CMC. As a local resident I am opposed to the proposed 5 block townhouse development on the subject site.

I wish to be added as a party to the hearing. To keep the hearing streamlined, by way of this letter I am appointing Chris Grant to speak on my behalf. Mr. Grant will organize our participation in the hearing.

Should you have any questions regarding the above please do not hesitate to contact me.

Yours Truly,
