15m LANDING CRAFT

## A MULTI-PURPOSE 15M LANDING CRAFT, DESIGNED WITH OPERATIONAL EFFICIENCY AND PRODUCTIVITY AT ITS CORE.

Designed for maximum productivity and efficiency, our industry leading 15m landing craft boasts a substantial 6 tonne cargo capacity and seating for 12 passengers, making it a perfect fit for a wide range of applications.

Additionally, the vessel's lightweight and corrosion-resistant aluminium construction maximises durability and environmental compatibility.

This vessel has been designed to MCA Workboat Code Edition 2 and Irish MSO P5 licensing requirements.
