TOUR DETAILS

Tour includes:

- 6 nights' hotel accommodation with breakfast included
- 6 evening meals with local wine, beer or non alcoholic drink
- 5 days guided rides. Chris will be your guide and you will have GPS routes uploaded for each day to your computer. Chris is a trained mechanic and will be carrying tools.
- Vehicle support when required. We can bring out a spare wheel, mobile workshop etc to ensure breakdowns don't get in the way of your holiday
- Luggage transfer from hotel to hotel. 2 bags per person
- Transfers to and from Barcelona El Prat airport. We can also call at Girona airport if that suits you better. Please aim for morning arrival and evening departure flights so we can maximise your fun time.
- These costs are based on guests sharing a twin room.

Tour does not include:

- Lunch on the road. Sometimes this would be a quick bakery stop, other times you're ahead of schedule and fancy a restaurant and a few hours relaxing. For this reason we don't include lunch meals but please budget for an average of 20 euros per day.
- Additional alcoholic drinks on evenings. Set menus in restaurants and hotels will include local wine or beer in your package, after which the guest buys their own but 8 Mojitos should be saved for the last night!

Thank you Leonard & friends for your enquiry.

It's a private tour so I'm there to make it exactly how you want. Feeling a bit tired? We can shorten days. Want to have a swim in the morning? We can set off later.

Guests describe our tours as fun, adventurous and relaxed. Nobody gets dropped on the road and nobody has to do anything they are not comfortable with. Fun foremost!

Anything you need, just ask. I really hope I can take you on this adventure in October.

Best wishes
