Volume 40 Issue 11

November 2018

It's November – a time to give thanks!

We are incredibly blessed. Even when life is rocky & stressful, life in the greater D/FW Metroplex is pretty wonderful, I think. I feel incredibly blessed to be part of Network for Enterprising Women – this amazing group of women who support, encourage, mentor, educate and sometimes entertain one another. I hope you agree.

Thank you to all of you who attended the 40th Anniversary party. The evening was made more special by your attendance and participation. I learned so much about the history of the organization and a little history about some of our members outside the organization. A special thank you to everyone involved in pulling the outstanding & highly successful event together.

Please mark your calendar for Friday, November 2nd – First Friday Happy Hour. This month we're heading north to Los Vaqueros near the Stockyards. I look forward to seeing you there!

In November, we're holding a Membership Event/Fund Raiser called a 'Quarter Auction'. You'll need \$5 for a paddle, one roll of quarters & a great sense of humor. Proceeds from the event go to the Young Women's Leadership Academy Foundation – helping future generations of brilliant young ladies succeed! Details about this event are in this newsletter & I hope you will attend. It's going to be a lot of fun.

The holidays are upon us. We're all going to be busier than usual. Please be especially patient and kind to each other in these final months of 2018. It's been a crazy year for me & I can only guess it's been the same for you.

Letter from a Former Member:

Dear Network Members,

I was so glad to hear that you are still networking! Unfortunately, I fell and broke a hip in July so I don't get around very well — also don't feel very well yet. So, sadly, I'm not up to getting out yet.

The phone call reminded me of all the early breakfasts and neat women I met at Network. I retired in 1997 and have enjoyed a lot of travel and a lot of doing nothing at home. I will be 93 next month. I'm still on Fargo Court, have the same phone number and would love to hear from old friends.

I live with 2 cats and lots of great memories. Have fun at the 40th reunion!

Sincerely, *Beth Stanbrough*

40th Anniversary

Network for (Executive) Enterprising Women

On October 20, 2018, 47 women met at the Gardens Restaurant to celebrate 40 years of continuously serving women in business in the Fort Worth area. The group began in 1978 in a humble building, The Public House, with just a few ladies who were searching for ways to help women in business. The group grew to well over 100 during the 1990's with women from all walks of life. Not only do they help each other but they play together too.

Women should never be afraid to be who they are.

Strong women stand together when things are rough, hold each other up when they need support and laugh together when there's no reason to. Be that woman!

"When women support each other, incredible things happen."

IS A TRIBE OF OTHER

AUCTION FOR CHARITY

Toni Allison

This month, November, we're having a Membership Drive/Fundraiser Quarter Auction Event on **Saturday, November 17th from 11:30-2:30!** (See flyer for details) What's a Quarter Auction you ask? It's FUN!!!!

Basically, you need \$3-\$5 to purchase a paddle with a number on it. Then, as prizes are announced, you have the opportunity to "bid" on them. For example; A Tupperware product(s) is worth \$25. You want it! The bid is 4 quarters. So you....and everyone else who wants it....puts in 4 quarters into the "collection buckets". Those who have put in the quarters raise their paddles with their number. I will be drawing the numbers from the "number bucket". If I draw your number, you win!!!! Easy-peasy! We will have two rounds of prizes, so there will be a lot to win. Great time to pick up some holiday presents. And speaking of the holidays... we will have approximately 15 vendors there who will not only be donating the prizes, but will be selling their wares.

That being said, all the proceeds will be going to the Young Women's Leadership Academy. Some of our Network members, visited YWLA and took a tour of the Academy. It was awesome and the girls are amazing! It is a perfect fit for N.E.W. Some of the students are the first in their families to have ever graduated from anything, much less gone to college. The YWLA has a 87% acceptance into colleges around the country. Again, the girls are amazing, and super smart! Our member, Anita Robinson, is on the board of YWLA. We will be supporting her as well as YWLA. PS: Deborah Ferguson of Channel 5 News will be there as well!

Ladies, let's make a good showing of our support of young women and N.E.W. Not only will you have fun, but you will be able to order great food for your lunch. This will be held at the Buffalo West restaurant on the westside of town.

-
If you have questions or know of vendors, shoot me an email or give me a call. Toni.Allison@outlook.com or 817-896-8664. We hope to see you there!
