Message from
Managing Trustee
LIVE FOUNDATION, Ranchi.

Dear Friends,

As I write this message, there is much change and promise of progress and development around us due to the pandemic caused by COVID-19 . There are fresh faces heading our government and we expect rapid growth in all areas, as the development sector continues to do its best for bring about social change in India Joining Hands encourages LIVE FOUNDATION to contribute its time, skills and energies to enhance the work being carried out at the grass root level.

Our mission is directed towards bringing about positive social change. Through our various programs we influence volunteers and groups/communities within which they work, and encourage them to contribute to the development sector. By consolidating Activities and expanding our collaborations, we strive to add value to the work of People associated with us. During The Lockdown due to COVID all the philanthropic works have been possible because of our committed volunteers who joined hands in reaching out to poor, marginal and depraved people. I would like to thank all our committed volunteers, partner NGOs, supporters, trainers and the Joining Hands team for all their hard work and dedication.

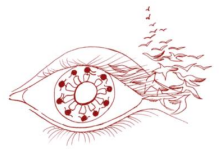

Best wishes
Yours Sincerely

Chhandoshree Thakur
