

Prescott Manor
A place of faith, hope and love

To whom it may concern,

We, at the Prescott Manor, have been overwhelmingly blessed by Dwayne LeSassier and his music ministry. His musical ability (guitar playing and singing) is incredible. But what has impressed me more than his talent is his love for our Lord and his love for people while ministering to them.

I am not one to be overly flattering in letters of this nature, but it is no exaggeration to say that the highlight each week for our residents (elderly and hospice patients) is the weekly "sing-a-long" time with Dwayne. As I am writing this, I can see in my mind, the smiles on the faces of our residents as they sing with Dwayne each week.

Dwayne has an obvious gift and a willingness to volunteer his time to share this gift with others, in his consistent effort to raise their spirits and to glorify our Heavenly Father.

Sincerely,

Bert Hunt
