To whom it may concern

I have been on staff in the Activity Department of Prescott Village for the past 25 years. I have never had a volunteer more committed to providing the very best group and one to one music for our residents. Dwayne Lesassier strives to strengthen his relationships with our residents each time he is here, and takes careful thought to each Resident, learning their names and preferences even after only meeting them once. He is willing to fill in and be on call as he is needed along with being a regular part of our scheduling. We are very blessed to have him as part of our volunteer workforce.

Sincerely,

Amy Stegall
