## HIGHLIGHT

As February unfolds, a month traditionally associated with love, caring, and kindness, many across the United States are dealing with temperatures falling below zero. Snow and ice have replaced the smooth covered pavements and sidewalks. Although Elvis may have departed the building, winter has not. There are many homeless who have been without gloves and socks throughout these challenging and stormy conditions.

Recognizing this critical need, MVA decided to help fill this void. In our quest to serve others, MVA created a "Gloves and Socks" campaign.

We are proud to have partnered with the Pentagon Federal Credit Union (PFCU) to collect new gloves and socks for veterans and others in need. Running from December 31, 2025, to February 7, 2026, we have collected over 200 items to date.

## "GLOVES AND SOCKS CAMPAIGN"

Establishing a partnership with the Pentagon Federal Credit Union to collect new gloves and socks for those in need is what MVA is all about. This picture depicts MVA and the PFCU personnel. We are here to serve.

With heartfelt thanks,

The "My Veteran's Arm, Inc.," Team
