

Please join us for our 3rd Annual

**Cavett Station Day
at Mars Hill Cemetery**

September 20, 2025

10:30 a.m.

You are invited as we celebrate the lives of Alexander Cavett and his family, Francis Bowery, and John Spurgeon. This year, blacksmith Chase McSpadden will educate us on Moses Cavett's ironworks, and the weapons that would have been used by Alexander, Francis, and John in the defense of Cavett's Station.

Don't forget to bring your chair, and we will meet you at the monument!

**Sponsored by Friends of Cavett Station, the official caretakers of Mars Hill Cemetery.
