Dear St. Lawrence Parishioners and Our Summer Family,

As you may know, the beautiful steeple on our church has been engaged in a battle with a devious gang of Pileated woodpeckers for nearly a decade. The official name of a group of woodpeckers is a "Descent". I wonder if that is why they are trying to "bring down" our steeple?

In any case, many of you have stepped up in the past to help us preserve, restore and defend the spire on our beloved landmark and house of worship. You have given generously of your time, talent and treasure and, at times, we thought we had won the war. However, our battle victories were only short-lived, and the beady-eyed adversaries returned again and again with their powerful band of tower tormenters.

So, it is time to bring out the big guns. We believe that the only way to permanently prohibit these persistent pests is by installing strong and sturdy steel siding. This solution comes with a significant price tag-estimated at around \$34,000. So once again, we are asking for help.

Please consider a donation to our Building Fund to help offset the expense of this necessary construction project to protect our church from future generations of winged intruders, the elements and any additional threats. We sincerely appreciate any amount that you can give.

~Fr. George

This is a great opportunity if you have time to spare, love to be with children, and could use some extra non-taxable income.
