A 2nd Grade Teacher gave her students the assignment to memorize Psalm 23, one of the most quoted passages in the Bible. One little boy practiced and practiced, but just could *not* memorize the Psalm. When the day finally came for the children to recite the Psalm in front of the congregation, the little boy was nervous. When it was his turn he proudly marched up to the podium and said, **"The Lord is my shepherd and that's all I need to know!"**

Stewardship as a Way of Life:

"Ask and you will receive; seek and you will find; knock and the door will be opened to you." Luke 11:9

Jesus assures us that if we ask, God will take care of what we need. The problem is that our culture often confuses what we really need with what we simply want. The truth is that many of us need very little. However, we usually want so much more! Stewardship is simply being grateful for all that we are and all that we have been given, and generously sharing all of our God-given gifts with others. Gratitude and generosity are gifts that open doors to new relationships with others and with God.
