Spiritual Communion Prayer

“My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You”. Amen

Bishop’s Annual Appeal: You are invited to participate in the Appeal by making a gift or praying for diocesan ministries. If your circumstance permit and your family is blessed with good health and employment, please consider increasing your gift to make up for those who are unable to make a gift at this time. More information can be found at www.stcdio.org/annualappeal. Your gift will help vital ministries continue to reach out to the faithful in our diocese in new and creative ways. As one Body, we make sacrifices for others, not because they are Catholic, but because we are Catholic!

World Mission Sunday

Every October, every Catholic diocese is asked to celebrate **World Mission Sunday**, a chance to learn more about our call to be a part of Christ's mission in and around the world. This year it takes place the weekend of **October 18th**. World Mission Sunday is a day in which we recognize our call to share with those in need, by participating in the **World Mission Sunday collection**, that helps support the pastoral, catechetical, charitable and evangelizing work of the Church around the world through the work of the Society for the Propagation of the Faith. Please give and pray generously for our global brothers and sisters this World Mission Sunday!

CORRECTION: In the October 4 bulletin, the wrong survey link was provided. Please see below for the corrected link to the stewardship survey for parishioners.

Stewardship Advisory Council: The diocese has established a Stewardship Advisory Council composed of pastors and individuals from various areas of the diocese. The mission and vision of this council are:

Mission: The Diocesan Stewardship Advisory Council provides a foundation for developing stewardship as a living expression of Christian discipleship within our Diocese, our Area Catholic Communities, and our Parishes.

Vision: By focusing on hospitality, prayer, formation and service we will assist pastors, councils, and committees to grow in faith, hope and love of Jesus Christ and increase the numbers of faithful who are praying, getting involved in Catholic life, and contributing resources to their communities.

In an effort to learn more about the current environment and the needs of the ACCs and parishes, we are conducting a survey of parishioners. It would be deeply appreciated if you could take about 10 minutes to help the Council learn the best ways to support stewardship as a way of life in the diocese. The link to Survey Monkey is : **<https://www.surveymonkey.com/r/Q838HJX>**

If you have any questions about the survey or the Advisory Council, please feel free to contact Anna Kampa at **akampa@gw.stcdio.org** or 320-258-7654.

Dear St. Lawrence Family and Friends,

If you have driven by and looked up at our steeple, I am sure that you will notice the work that has been done by the brave builders who have worked so hard on a lift that looks (from the safety of the ground) to be at least halfway to heaven. They have completed the project and we now have a beautiful strong steeple at the top of St. Lawrence Church.

I am so grateful to all who have made this project possible. Many of you donated your money to make sure that this important part of our building and history will stand despite the repeated destructive efforts of the flying jackhammers (aka: woodpeckers). Our newly renovated steeple also represents memorials to several loved ones who are now enjoying the view from above. Because of your generosity, we were able to pay for the project almost entirely from money raised for this purpose. Of course, additional donations to put us over the top would be accepted.

Thanks to the courageous workers who were willing and able to complete this endeavor. Thanks also to all those who organized this project as well as all of the prior efforts to preserve our steeple. With God's blessings, we are hopeful that this time, the steeple will stand strong for many years to come.

Finally, if anyone has a tall, old, wooden building that they wouldn't mind sharing with some beautiful but incredibly destructive flying creatures, there are some Pileated Woodpeckers who are searching for a new roost.
