

INTRODUCING

Catechesis of the Good Shepherd

Beginning in our ACC Fall of 2027

Catechesis of the Good Shepherd (CGS) is a hands-on Montessori based Catholic faith formation program that focuses on Sacred Scripture and Liturgy. CGS allows children to hear, ponder and celebrate the mysteries of the Catholic faith and grow in their relationship with Jesus.

WHAT MAKES CGS UNIQUE?

GOD AT THE CENTER

Children encounter God through Scripture, liturgy and prayer.

HANDS-ON LEARNING

Beautiful materials help children explore and understand our Faith.

RESPECT FOR THE CHILD

Children learn at their own pace in a quiet, calm, prepared environment.

ROOTED IN THE CHURCH

CGS is faithful to all of the teachings of the Catholic Church.

LIFELONG FAITH

CGS nurtures in children a deep and lasting relationship with God.

Level 1:
Ages 3-6

Join us in creating a prayerful space (atrium) for CGS at St. Henry's Church. We are in need of people who are willing to be formally trained as catechists for CGS. As catechists we will work together to create a beautiful and prayerful space where we will accompany children in encountering the love of God and forming an everlasting relationship with Him. If you have a love for the faith and working with children you would make a great CGS catechist!

Please reach out to us if you're interested or if you would like more information!
