PAVING THE WAY AT ST. LAWRENCE

Although the weather doesn't agree, we are a people of faith and hope, and we know that Spring is right around the corner! To celebrate, we are planning a new improvement project. The East parking lot is in rough shape and needs some renovation. The St. Lawrence Finance council and the Bishop's office have approved a construction project to blacktop the parking lot. This will be completed as soon as weather permits. The cost of this plan will be about \$27,000.

Just think, no more wiping the mud from your shoes as you enter the church. No more trying to walk around the puddles or uneven ground in any season. I hope that you will support this project with a donation to offset the expense.

Together, we will continue to preserve our historic church and grounds, as we pave the way for future generations of St. Lawrence families. May God bless you always.

Stewardship as a Way of Life:

"As they were marching out, they came upon a man of Cyrene, Simon by name; this man they pressed into service to carry his cross." Matthew 27:32

The Lord calls us to love God and to love our neighbor. Every day we are presented with opportunities to love our neighbor and help them carry their crosses. These opportunities aren't usually big events; they are usually ordinary occurrences like helping someone carry their groceries or holding the door open for them. The key is putting the other person's needs before our own and not expecting anything in return.
