April 7 ♦ Chrism Mass — The annual Chrism Mass will be celebrated at 7:00PM at St. Mary's Cathedral, St. Cloud on Thursday,

April 7th. This special Mass takes its name from the chief anointing oil, the Holy Chrism, which can only be consecrated by the bishop. At the Chrism Mass, Bishop Donald Kettler will bless the oils that will be used for the sacraments of Baptism, Confirmation, Holy Orders, and Anointing of the Sick. Also, at the Mass, priests of the diocese will come together to renew their priestly commitment.

Synod Listening Sessions

Pope Francis is inviting all baptized members to participate in a synod consultation. This unique experience is unprecedented in church history.

There are two different ways this can happen: 1) You can go online to complete a self-guided consultation <https://www.surveymonkey.com/r/HGRMJ6X> 2) Call the parish office if you would be interested in sitting down with someone 1:1. Come let your voice be heard!

St. Henry's Area School

Congratulations to our Calendar Raffle winners this week. 3-29-22-Drew and Steph Johnson-\$50 and 4-1-22-Joan Guck-\$100.

Fun Fair Auction News: Here is a listing of the class baskets for the auction: PreK-Summer/Beach Basket, K-Health and Wellness Basket, 1st-MN Fun Basket, 2nd-Kids' Activity Basket, 3rd-Kitchen Basket, 4th-Men's Basket, 5th-Camping Basket, and 6th-Women's Basket

Many questions have been coming in regarding items in the old school that might be of some value. My thought is that we'd likely do a fundraising online auction with those things to help purchase some of the "forgotten" items for the new school building. More information will be forthcoming when we get closer to the completion of the project.

School Update: A lot of progress has been made in March due to a break from the harsh winter weather. The exterior walls are now watertight and the brick and EIFS are fully underway and making very good progress. We have 150 lineal feet of wall on the ground level fully complete, or about 20% of the building perimeter complete. The entire brick/limestone/EIFS exterior should be complete in 6-8 weeks. In about 7 weeks we will start installing the exterior aluminum windows.

We have made great progress on the inside of the building as well. We now have all concrete floors poured, including the kitchen and adoration chapel. We also have all steel stud and CMU walls installed and with wood backing complete. The fire sprinkler pipe is about halfway installed. The mechanical and electrical trades are now working on finishing the rough-ins in the kitchen and fellowship hall side of the project. Next week we will start with insulating the exterior and interior walls and then start hanging sheetrock. The next big items for the interior in April will be finish taping the sheetrock and then painting!
