## PAVING THE WAY AT ST. LAWRENCE

Although the weather doesn't agree, we are a people of faith and hope, and we know that Spring is right around the corner! To celebrate, we are planning a new improvement project. The East parking lot is in rough shape and needs some renovation. The St. Lawrence Finance council and the Bishop's office have approved a construction project to blacktop the parking lot. This will be completed as soon as weather permits. The cost of this plan will be about \$27,000.

Just think, no more wiping the mud from your shoes as you enter the church. No more trying to walk around the puddles or uneven ground in any season. I hope that you will support this project with a donation to offset the expense.

Together, we will continue to preserve our historic church and grounds, as we pave the way for future generations of St. Lawrence families. May God bless you always.

Fr. George

"A Sunday school teacher had just finished telling her third graders about how Jesus was crucified and placed in a tomb with a great stone sealing the opening. Then, wanting to share the excitement of the Resurrection, she asked: "And what do you think were Jesus' first words when He came bursting out of the tomb alive?" A hand shot up into the air from the classroom and it was the arm of a little girl. Leaping out of her chair she shouted out excitedly "I know, I know!" "Good" said the teacher, "Tell us what were Jesus' first words?" And extending her arms high into the air she said: "TA-DA!"

### Stewardship as a Way of Life:

*"Set your minds on things that are above, not on things that are on earth." Colossians 3:2*

Do you put God first in all things? Possessions, money, power, ego can easily become gods to many of us. Do a quick check of what is important to you. Is God at the very top of the list? If not, your priorities need to be readjusted. Don't let earthly things become a god before God. This is also the first commandment – I am the Lord your God, you shall not have any strange gods before me.
